Broken screen live wallpaper iphone

Updated: January 1, 2021 Home » WallpaperHere is a simple joke, borrow your Apple iPad or iPhone friends (I think it works on Google Android smartphones too), download and change the wallpaper and pretend to drop your smartphone. Show him the shattered screen. Invaluable. Works on older iPhones and the latest iPhone 6 and 7. If you like pranks, you'll also love this crying angel prank for PC Windows Desktop or Apple Mac. Click the image to download the high-resolution image. It works best if you have a fictitious iPhone and you let it go. Alternative 2020 ➤ – Weeping Angel Desktop Wallpaper Dropping People's Phone Prank! Open the Mac App Store to purchase and download apps. Are you looking for a funny but harmless joke to play with your friends? Look no further! Imagine this: you are happily texting your best friend when someone carelessly runs into you with your backpack; in an instant you lose your grip and your phone slides out of your hand, hitting the ground with a strong crack. There he is, lying face down on the floor. You hold your breath while you crouch down carefully to pick it up. Suspense is killing you... is the screen broken or was this just another close call?! Smashing your phone screen is the worst! But playing a good prank on your friends is the BEST, and with this app that's just what you can do! These wallpapers look like a real cracked screen. Choose a soft crack or web-like break pattern that looks like your screen has been split into a million pieces. Your friends will be surprised to discover that the screen glass is not really damaged! Once you are in the joke, you can even share these wallpapers with your friends so that they can pass through the prankster fun! It's so fake looking!! None of them look like anything you should try with someone. Whoever's e-oeded by this should go back to kindergarten!! It's so fake. They look like diamonds. I have a better one in my fire this app is great for diverting people from wanting their phone. I found some wallpapers that look very realistic. It's great for jokes, but for many it adds. The developer, Atlas Labs, has not provided details about its privacy practices and data handling to Apple. The developer will need to provide privacy details when submitting their next app update. 768x1024 Broken Screen Wallpaper for Apple iPhone 5, 6 and 7 - Best Prank > 1040x1536 Free Cracked Screen Wallpaper Beautiful Hd Wallpaper.
